

# Warner Park Naturalist Camp

## Code of Conduct

---

The Warner Park Nature Center Naturalist Camp is designed to provide enriched nature experiences for children and to allow them to share their enthusiasm for nature and the outdoors with one another. The following expectations are required for a successful program and to ensure the safety of all participants.

### I Agree To:

- Be a positive role model through my attitude and actions toward others.
- Listen and follow the instructions of the program leaders.
- Stay with the group during hikes and program activities.
- Respect the skills and interests of my fellow naturalist campers.
- Respect the wildlife and plant life by staying on the trails, speaking softly, and only handling plants and animals with approval from program leaders.

I have read, understood, and agree with the expectations listed.
